Match Commitment Agreement

We, the Leaders In Training Sports Mentoring Program, and _____(mentor) agree to maintain a mentoring relationship for the next 10 months, until June, 2020. The purpose is to support _____(mentee) to succeed in his or her “Build Your Career” goals in the areas of education, career, family and friendship network, leadership, mental and physical health, and asset building.

We agree to have **four-six hours of contact a month** for the duration of the match, with additional phone, text messaging, and e-mail contact as needed (by the LIT Sports Program Admins).

We agree to treat each other with respect and to keep our appointments or contact each other to make a new appointment when something prevents our meeting. We agree to use the “Build Your Career” theme as the key focus for our work together, in addition to building our relationship and enjoying each other’s company.

We agree to review our relationship at the 10-month point and mutually agree to either end the mentoring relationship or to continue for a specific time going forward.
